Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This house faces south onto Vianney Street. It was probably built during the 1940s or 1950s. Set on a concrete-block foundation, it is a one-story framed and asbestos-shingled house, oriented with its gable end toward the street. The roof is covered with asphalt shingles. It is two bays long and has a three-bay facade with a central doorway. There is a central concrete-block stove flue. The windows have six-over-six double-hung sash. There is a small gable-roofed porch.
